List of Export Control Lists

MEMORANDUM

TO: EDAC Members

FROM: Chairman, EDAC

SUBJECT: List of Export Control Lists

Attached is a list of export control lists, which has been prepared for reference purposes by MDAC and is transmitted herewith to the agencies of EDAC for their information. This list, which in general covers the period from 1949 to date, identifies the various Battle Act Lists, the U.S. Export Control Lists, the International Lists, the China Lists, and the United Kingdom Lists, together with related compilations of list comparisons, correlations, and indexes, and also includes brief comments on the coverage, inter-relationships, and functions of the various lists.

Comments as to accuracy are requested prior to 30 March. In the absence of comments, this document will be considered as an agreed EDAC reference.
